WHY GREEN DAY SUCK

I think in today's world of rock gods (ie. Led Zep, Ozzy, Metallica) a true alternative to these bands would be great. But what do we have? Green Day, NOFX, Rancid. Not to say these bands are bad musicians or anything but just two years ago these bands could have been found in any smelly punx club. Now you can find them in any SamGoody bin at the mall, or shaking their tailor made leather and spikes in front of any MTV camera, or yucking it up next to Madonna or Whitney Houston on the MTV awards. What kind of alternative is this?! What can we do to remedy the situation?! The answer is easy. **DON'T SUPPORT THEM!!!** Don't buy their overpriced CD's, Don't go to their shows! If you do just throw eggs at them. Support real PUNK RAWK bands like Dirt, Conflict, Doom, Naked Aggression, etc. etc... Decide for yourself.

This week's celebrity recipe

Ronnie Milsap's cheese biscuits

You can refrigerate these biscuits from the country music star — famous for his hit song "Any Day Now" — for up to three weeks.

Preparation time: about 20 minutes.

Standing time: overnight.

Baking time: about 15 minutes.
Makes 2 to 3 dozen biscuits.

1/2 cup sharp Cheddar cheese
1/2 cup butter
1 to 1 1/2 cups all-purpose flour
1/2 tsp. salt
1/8 tsp. red pepper
paprika

Grate cheese. Let stand outside

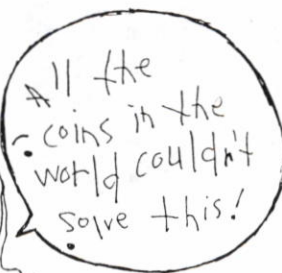

refrigerator overnight, covered.

Work cheese and soft butter with hands until pliable. Add flour, salt and pepper. Work until soft. Pinch off small balls of dough and place on a cookie

sheet. Flatten to about the size of a quarter, but very thin. Bake at 325 degrees for 15 minutes. When done, sprinkle with paprika.

(SORT OF) SCENE REPORT

Lawrence, KS, a town 45 min. west of K.C. doesn't really have much to offer in the way of fun, but like most other towns in the US, if you know the right people you can have a real good time. The first visit to Lawrence, I met some really kind folx, and got drunk and stoned, which is always a plus to me. Lawrence has a small scene, the local punk band Black Label are really cool cats and the singer Matt is a kick ass tattooist. So is his friend Nick, who gave my girlfriend a quality tattoo for a patch. It's pretty easy to spare change because hardly anyone does it! If you are hard up for a buzz on Friday or Saturday nites, you can walk up and down Massachusetts St. (the main drag) and usually find full beers sitting on the sidewalk. Last time I was there I found a full pack of cigs with five bucks stuffed inside. Lawrence also has a cool record store (Love Garden) specializing in Punk and independent music. They also have a soup kitchen which serves a fat, hot meal daily. If your into a more laid back atmosphere and a smaller town, go to Lawrence, KS. I guarantee you'll meet nice folx and smoke good bud!

VANDALS NAIL FLORIDA COPS!

JACKSONVILLE, Fla. — Someone has been dumping thousands of roofing nails behind billboards trying to slow down sneaky cops who hide their cruisers as they lay in wait to nail speeders.
At least 60 Highway Patrol and Sheriff's Office car tires have been damaged by the nails at a cost of about \$6,000. The vandals haven't been arrested. **RIGHT ON!**

In July in suburban Seattle, a Washington trooper made a routine traffic stop of a man who was rushing his girlfriend to an abortion clinic and, according to allegations, detained them for 90 minutes so they would miss their appointment while he attempted to talk them out of the abortion. They were forced to follow the trooper to a church, where a woman continued to exhort them.

I have known Captain Kirk for about two years, and I think he's cool! So I'm doing a page on him. Capt. used to live next door to me and he always came over with cigarettes and booze when noone had any. Capt. can be found on any given day on the streets of Columbia, MO. Usually with a bottle of Mad Dog in his hand, and a smile on his face. Getting fucked up with him is always fun, cuz he'll tell you stories until both of you are blue in the face. If you walked away and came back an hour later, he'll still probably be talking. I think he's rad, so if you're ever in Columbia, look for him!

BIKINI KILL are rad, but Columbia, MO is not! I finally got a chance to see one of my favorite bands, but in the lamest city in the U.S. I got nice and tanked before the show so I could really enjoy the dancing. I pushed my way to the front row, and was greeted by a bunch [55 or 60] of mindlessly bouncing ALTERNA-BITCHES! They were all jumping and wagging their Manic Paniced heads in a way that made me want to hurl. When I tried to get something aggressive going, I got called a Stupid Bitch or a Cunt countless times! Enough said. A room full o' POSERS!!! The bands performance, an entirely different story!!! I

don't know about you, but usually I file BIKINI KILL as a band with alot of important stuff to say but garage like musically. Live, they rip shit up. You've got all this tightly performed music, combined with loud, obnoxious lyrics, and a super cute girl shaking her leather bound ass and doing splits and cartwheels every time you turn around. Despite the boring audience action, I was entertained fully by what was coming from the band. After the show I went out back to get comments from the band, but all the members except singer Kathleen had ran off to hide. So I asked her what her favorite show played was and she said Omaha, NE because they played with a rad band made up of fourteen year olds called XY. She also said she had worked as a dancer in a Sonic Youth video once, not cause she was a sellout, but because she was flat broke.

Anytime you got a chance to see them do it because if you think they're O.K. now you'll think they're great after, and if you think they're great now, you'll think they're godhead after. End of story!

Can be located on KILL ROCKSTARS Rec. out of Olympia, WA.

This interview was done Oct. 16, when DIRT played in St. Louis. Its kind of a short interview; number one because I had no recorder; number two I was kind of drunk. The FINAL WARNING/DIRT tour this fall has had an extra special meaning to me cuz me and my girlfriend have sort of been DIRT groupies. We saw them first in Seattle at our friend Jenny's party. The next night we saw 'em in Portland at the Punky Rockit house, then in Eugene and St. Louis. I wanna say thanks to everyone that helped us out, like Cretin, Jake and Jack Shit, Alex in Lawrence, Cute Boy, Jason, Jerome, BoBo, Cunt, Boyd, and everyone else we met out this time. This interview is with lead singer Deno, and guitarist/singer Gary. If you missed DIRT this year, you SUCK cuz they're the nicest folx around.

NEIL FROM FINAL WARNING ↓

↑ DENO

- SPLIT E.P. ON TRIBAL WAR REC. WITH MANKIND CALLED "BEAST OR BURDEN"
- COMPLETE DIRT CASS. WITH ALL CRASS REC. RELEASES AND OUT OF PRINT STUFF.

P.D. What do you think of major label "punk" bands, like on MTV?

GARY THEIR NOT PUNK. IT [punk] HAS ALWAYS BEEN A MOVEMENT NOT SOMETHING THAT CAN BE BOUGHT AND SOLD. PUNK IS A SPIRIT. THESE GUYS ARE JUST TRYING TO CASH IN.

P.D. What are your plans after you get home?

GARY RELAX AND REST. WE'RE VISITING IRELAND IN FEB. WE'RE DOING A SPLIT 12" WITH FINAL WARNING SOON ON MASS MEDIA RECORDS.

P.D. What's your fave american beer?

BOTH MICKEY'S! THE REST IS NOT EVEN CLASSIFIED AS BEER!

P.D. How does the U.K. scene differ from here?

DENO WHAT SCENE!
GARY THE U.K. IS VERY SPLIT YOU CAN GO TO EAST LONDON, NOTTINGHAM, BRADFORD, BRISTOL; THEY HAVE A SCENE. BUT GO JUST TWO MILES DOWN THE ROAD AND THERE IS NO SCENE.

DENO THE PEOPLE IN THE STATES ARE VERY FRIENDLY, TOO. THERE ISN'T MUCH OF THAT IN BRITAIN.

P.D. What is your advice for an american punk thinking of traveling abroad?

DENO MAKE SURE YOU HAVE PLENTY OF MONEY, AND SAY YOU HAVE A JOB. I ADVISE YOU FLY TO GERMANY, OR HOLLAND AND THEN TOUR EUROPE. IT'S BEST TO DEPART FROM NEW YORK.

P.D. How's the tour gone so far?

DENO VERY ENJOYABLE SO FAR. GOOD GIGS, VERY NICE PEOPLE. THE GIGS HAVE BEEN VERY WELL ORGANISED.

GARY WE PLAYED IN L.A., [pasadena] AND WE HAD RIOT POLICE IN FULL COMBAT GEAR, GAS GUNS, THEY EVEN HAD A HELICOPTER. THE NEIGHBORS DIDN'T KNOW ABOUT THE GIG AND THEY FREAKED OUT. IT WAS THE SAME SCENERIO IN PHOENIX, AZ. AT THE NILE, THE SECURITY WASN'T VERY GOOD. THE NICE THING WAS IN PHOENIX THE KIDS WERE READY TO RIOT.

P.D. What's been your fave place to play?

GARY MOST SHOWS HAVE BEEN REALLY GOOD. PITTSBURG, LIMA, SPOKANE, BERKELEY, ABCNORIO.

P.D. Is AmeriKKKa all you'd expected?

GARY WE'VE BEEN HERE BEFORE. THE EAST COAST AND WEST COAST WERE REALLY GOOD. BUT IN THE MIDWEST, PEOPLE BOOK SHOWS AND THE PROMOTORS TEND TO FLAKE OUT. I THINK S.DAKOTA SHOULD BE BOYCOTTED UNTIL THE PROMOTORS GET THEIR ACT TOGETHER. MIDWEST PROMOTORS FUCK UP SHOWS THAT COULD BE REALLY GOOD.
